

L is for... Letter poem

I

Love

languages and laughter  
literature and lunchtime  
libraries and learning  
listening and leapfrog  
lemonade and liquorice  
lions and ladybirds  
lambs and llamas  
leopards and labradors  
lampstands and lamp-posts  
lullabies and lollipops  
letters and letterboxes - and laptops

Lots.

Do you?

Your turn.

Can you create a letter poem?

All you have to do is

Choose a letter

Think of some words

Or look in a dictionary

Then go collecting

Words for the world.

(But I wouldn't choose X, if I were you.)
